FLEXIBLE COMMERCIAL UNITS DUE FOR COMPLETION Q2 2026.....

We are excited to offer premium commercial units in a highly desirable location, perfectly positioned in the heart of Wakefield with stunning views overlooking the canal and river. These versatile units are ideal for businesses seeking a prominent, well-connected base with modern specifications.

This will be a 19 unit scheme, comprising high specification hybrid office/workshop units, each spanning 1700 sq ft (158 m²) over two floors. These units are ideally suited for a range of business needs, featuring a steel portal frame construction with breeze block lower walls, insulated cladding, a first floor office space with air conditioning, 3 phase power supply, and an EPC rating of A (22). Located within a modern business park, the development benefits from excellent transport links, shared secure parking with perimeter fencing, and full services including power, lighting, water, and drainage.

Currently in the outline planning stage, detailed designs will be finalised by October 2025. Construction is scheduled to commence early 2026, with completion expected by Q4 2026, ensuring a swift timeline for occupancy.

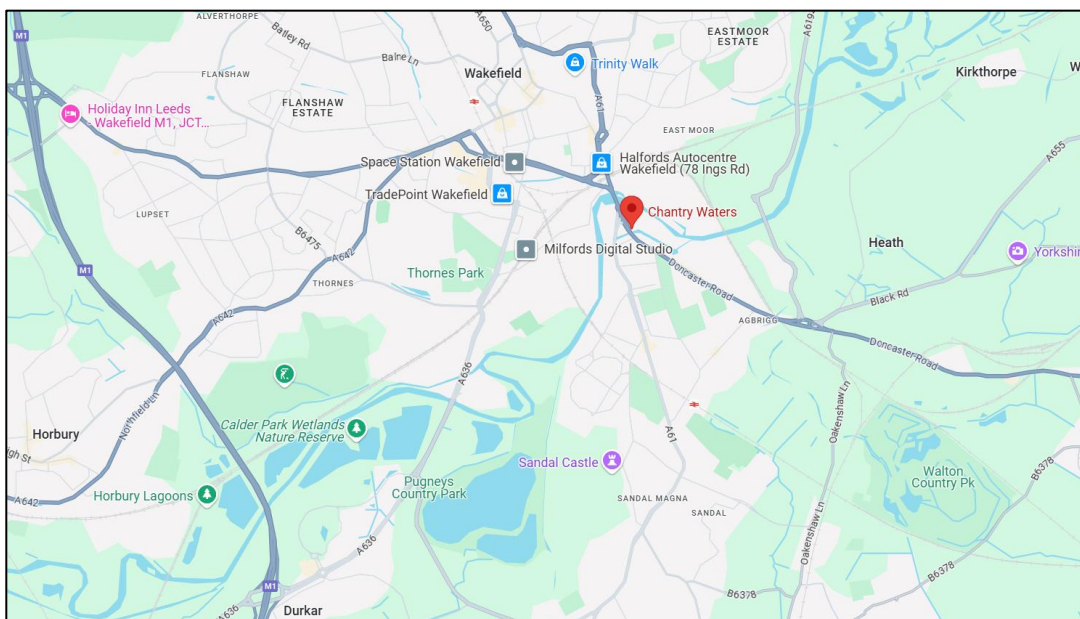

Each unit comes with allocated car parking, enhancing convenience for staff and visitors alike. The prime central location offers excellent accessibility, surrounded by Wakefield's vibrant amenities and benefiting from the scenic waterfront setting-an attractive draw for clients and employees.

The site is situated approximately 2 miles south of Wakefield city centre and 3 miles north-east of J39 of the M1.
